THE JESSE KLUMP MEMORIAL SCHOLARSHIP NOMINATION FORM

Deadline for Nomination: April 15, 2019

The Jesse Klump Memorial Fund awards an annual scholarship to a student based on altruism. Our goal is to identify a high school senior who demonstrates unselfish concern for other people; someone who does things simply out of a desire to help, not because he or she feels obligated out of duty, loyalty or religious reasons, and not simply to bolster one's resumé. Many young people demonstrate kindness in their daily lives but we are searching for a student who demonstrates a willingness to put others ahead of himself or herself and is of good character. ***The scholarship has a potential value of \$15,000.00 (\$3,750.00 per year renewable for up to 4 years).***
